Web, Data & Machine Learning Enthusiast | Informatics Tel-U Sby |
Head of Data Engineering Division CODER | Event Organizer GDSC
Kota Mojokerto, Jawa Timur, Indonesia

Ringkasan

As an aspiring Web Developer, Data Analyst, and Machine Learning enthusiast, I am currently pursuing my studies in Informatics at Telkom University Surabaya. I currently hold the position of Head of Data Engineering Division at CODER and actively contribute as an Event Organizer at GDSC. My expertise lies in web development, data analysis, and a deep understanding of Machine Learning concepts. I am dedicated to continuous learning and growth in these fields while actively contributing to challenging projects
